

Deem Finance Secures \$400M ABS Facility with J.P. Morgan to Drive Financial Inclusion in the UAE

Deem has successfully executed a \$400M asset-backed securitization (ABS) in collaboration with J.P. Morgan, marking a significant milestone in enhancing financial accessibility for consumers and SMEs across the UAE. Supported by Daman Investments as the financial advisor, this pivotal step strengthens funding flexibility and reinforces Deem's mission to empower underserved segments. Together, this initiative is shaping the future of non-bank finance and driving sustainable growth in the region.
